

# With great leadership we can build a healthy community. Thank you for giving back to Richmond Hospital.

Since Aspac Developments was founded in 1993, giving back has always been part of how they build a community.

That means creating lasting legacies that will develop and grow as new neighbourhoods themselves grow with new families.

They chose Richmond as the site of their first development outside Vancouver because they knew this was a special community. They were inspired not only by the city's participation in the 2010 Winter Olympic Games, but also by its people. They knew they wanted to be a part of Richmond – its culture, its history and its diversity.

That is why it was important for Aspac Developments as they began developing River Green, Richmond's newest and most sustainable waterfront community, that they commit for the long term to this city and its people as they embark on this 15-year project.

As part of that commitment, they are proud to be the Presenting Sponsor of Richmond Hospital Foundation Golf Tournament for the next three years.

*Thankful for support of Richmond Hospital:  
Kyle Shury (Chair, Golf Committee),  
Kush Panatch (Chair, Richmond Hospital  
Foundation) and Mr. Raymond Li  
(Senior VP & Director, Aspac Developments)*

Health and well-being is an important aspect to any community. By supporting an active lifestyle within developments like River Green, and contributing to Richmond Hospital Foundation, they are making a commitment to the health of Richmond families.

Richmond is already known as one of the most multicultural cities in Canada, and Aspac Developments feels that contributing to health care helps all residents, of all backgrounds and age groups. It's truly a service that crosses every family throughout their lives.

That is why they are pleased to support

Richmond Hospital's health care team with essential equipment and enhanced facilities so patients can receive the care they deserve right here in their own community.

*"We are proud to partner with Richmond Hospital Foundation for this golf tournament. We encourage other businesses to support the great cause of health and well-being by supporting Richmond Hospital Foundation."*

*— Raymond Li*

*(Senior Vice President & Director, Aspac Developments)*

**RICHMOND HOSPITAL  
FOUNDATION**

Your continued support of the Foundation allows our community to receive an excellent quality of care that our families, friends and neighbours have come to rely on.
